20-bu Click-N-Go Material Collection System

For X700 Signature Series Tractors

Part Number
LP68577

Making Collection Simple

Whether you're collecting grass clippings in the summer, or gathering leaves in the fall, a Material Collection System (MCS) can greatly enhance your productivity. Now, the John Deere 20-bushel Click-N-Go MCS for X700 Signature Series Tractors brings about a whole new meaning to the acronym "MCS": Making Collection Simple.

Key Features

20-bushel hopper
provides large capacity for long periods of mowing

Dump-from-seat
push-button unloading for clean and easy operation

Two integrated stands
make storage fast and convenient

Click-N-Go compatibility
reduces time spent attaching and detaching
